A Nonqualified 457(f) Retirement Plan was established by the Company on January 1, 2016, to retain senior officers. The plan requires a five year vesting period. F. The Company, along with the Delta Dental Plans Association (DDPA), Delta USA and the other independent DDPA members companies, is defending a collection of lawsuits that have been filed in at least ten different district courts. The parties have requested that the cases be consolidated before a single district court for pretrial proceedings. The plaintiffs, representing purported classes of dental providers, allege that various Association member company licensing standards violate federal antitrust laws. The Company believes the claims are meritless and intends to vigorously defend this case. The case is in the early stages of discovery. At this point, it is too early in the proceedings to determine the outcome of the matter or the range or amount of any potential loss.
