B. Use of Estimates in the Preparation of the Financial Statements

Preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. During 2018, the Company had a change in estimate relating to the Tax Cuts and Jobs Act. See Note 9C for details.

C. Accounting Policies

Health premiums are earned over the term of the related insurance policies and reinsurance contracts. Premiums written are reported net of excess loss reinsurance ceded and experience rating refunds. Premiums paid prior to the effective date are recorded on the balance sheet as premiums received in advance and are subsequently credited to income as earned during

the coverage period. Premium rates are subject to approval by the Centers for Medicare and Medicaid Services. Expenses are charged to operations as incurred.

In addition, the Company uses the following accounting policies:

- (1) Short-term investments include investments with maturities of less than one year and more than three months at the date of acquisition and are reported at amortized cost, which approximates fair value. Non-investment grade short-term investments are stated at the lower of amortized cost or fair value.
- (2) Investment grade bonds not backed by other loans are stated at amortized cost, with amortization calculated based on the modified scientific method, using lower of yield to call or yield to maturity. Non-investment grade bonds are stated at the lower of amortized cost or fair value as determined by various third-party pricing sources.
- (3) The Company has no investments in common stocks of unaffiliated companies.
- (4) The Company has no investments in preferred stocks.
- (5) The Company has no mortgage loans - real estate.

These assumptions are consistent with the current interest rate and economic environment. The retrospective adjustment method is used to value all loan-backed securities. Non-investment grade loan-backed securities are stated at the lower of amortized cost or fair value.
- (7) The Company has no investments in subsidiaries, controlled and affiliated companies.
- (8) The Company has no investments in joint ventures, partnerships or limited liability companies.
- (9) The Company has no derivative instruments.
- (10) The Company does not anticipate investment income as a factor in premium deficiency calculations.
- (11) Unpaid claims and claims adjustment expenses include management's best estimate of amounts based on historical claim development patterns and certain individual case estimates. The established liability considers health benefit provisions, business practices, economic conditions and other factors that may materially affect the cost, frequency and severity of claims. Liabilities for unpaid claims and claim adjustment expenses are based on assumptions and estimates, and while management believes such estimates are reasonable, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing the resulting liabilities are continually reviewed and changes in estimates are incorporated into current period estimates.
- (12) The Company has not modified its capitalization policy from the prior period.
- (13) The Company recognizes losses from other-than-temporary impairment ("OTTI") of investments in accordance with Statements of Standard Accounting Practice ("SSAP") No. 26R, *Bonds*.

Express Scripts, Inc. Pharmacy Benefit Management Litigation

In March 2016, Anthem filed a lawsuit against Express Scripts, Inc., or Express Scripts, its vendor for pharmacy benefit management, or PBM, services, captioned *Anthem, Inc. v. Express Scripts, Inc.*, in the U.S. District Court for the Southern District of New York. The lawsuit seeks to recover over \$14,800,000,000 in damages for pharmacy pricing that is higher than competitive benchmark pricing under the agreement between the parties, or PBM Agreement, over \$158,000,000 in damages related to operational breaches, as well as various declarations under the PBM Agreement between the parties, including that Express Scripts: (i) breached its obligation to negotiate in good faith and to agree in writing to new pricing terms; (ii) is required to provide competitive benchmark pricing to us through the term of the PBM Agreement; (iii) has breached the PBM Agreement and that can terminate the PBM Agreement; and (iv) is required under the PBM Agreement to provide post-

termination services, at competitive benchmark pricing, for one year following any termination.

Express Scripts has disputed the contractual claims and is seeking declaratory judgments: (i) regarding the timing of the periodic pricing review under the PBM Agreement; (ii) that it has no obligation to ensure that we receive any specific level of pricing, that we have no contractual right to any change in pricing under the PBM Agreement and that its sole obligation is to negotiate proposed pricing terms in good faith; and (iii) that we do not have the right to terminate the PBM Agreement. In the alternative, Express Scripts claims that we have been unjustly enriched by its payment of \$4,675,000,000 at the time of the PBM Agreement. In March 2017, the court granted the motion to dismiss Express Scripts' counterclaims for (i) breach of the implied covenant of good faith and fair dealing, and (ii) unjust enrichment with prejudice. The only remaining claims are for breach of contract and declaratory relief. Anthem intends to vigorously pursue the claims and defend against any counterclaims, which Anthem believes are without merit; however, the ultimate outcome cannot be presently determined.

ERISA Litigation

Anthem is a defendant in a class action lawsuit that was initially filed in June 2016 against Anthem, Inc. and Express Scripts, which has been consolidated into a single multi-district lawsuit captioned *In Re Express Scripts/Anthem ERISA Litigation*, in the U.S. District Court for the Southern District of New York. The consolidated complaint was filed by plaintiffs against Express Scripts and us on behalf of all persons who are participants in or beneficiaries of any ERISA or non-ERISA healthcare plan from December 1, 2009 to the present in which we provided prescription drug benefits through the PBM Agreement with Express Scripts and paid a percentage based co-insurance payment in the course of using that prescription drug benefit. The plaintiffs allege that Anthem breached its duties, either under ERISA or with respect to the implied covenant of good faith and fair dealing implied in the health plans, (i) by failing to adequately monitor Express Scripts' pricing under the PBM Agreement and (ii) by placing our own pecuniary interest above the best interests of our insureds by allegedly agreeing to higher pricing in the PBM Agreement in exchange for the purchase price for its NextRx PBM business, and (iii) with respect to the non-ERISA members, by negotiating and entering into the PBM Agreement with Express Scripts that was allegedly detrimental to the interests of such non-ERISA members. Plaintiffs seek to hold us and Express Scripts jointly and severally liable and to recover all losses suffered by the proposed class, equitable relief, disgorgement of alleged ill-gotten gains, injunctive relief, attorney's fees and costs and interest.

In April 2017, Anthem filed a motion to dismiss the claims brought against us, and it was granted, without prejudice, in January 2018. Plaintiffs filed a notice of appeal with the United States Court of Appeals for the Second Circuit, which was heard in October 2018. Anthem intends to vigorously defend this suit; however, its ultimate outcome cannot be presently determined.

Cigna Corporation Merger Litigation

In July 2015, Anthem and Cigna Corporation, or Cigna, announced that they entered into Agreement and Plan of Merger, or Cigna Merger Agreement, pursuant to which Anthem would acquire all outstanding shares of Cigna. In July 2016, the U.S. Department of Justice, or DOJ, along with certain state attorneys general, filed a civil antitrust lawsuit in the U.S. District Court for the District of Columbia, or District Court, seeking to block the merger. In February 2017, Cigna purported to terminate the Cigna Merger Agreement and commenced litigation against us in the Delaware Court of Chancery, or Delaware Court, seeking damages, including the \$1,850,000,000 termination fee pursuant to the terms of the Cigna Merger Agreement, and a declaratory judgment that its purported termination of the Cigna Merger Agreement was lawful, among other claims, which is captioned *Cigna Corp. v. Anthem Inc.*

ANNUAL STATEMENT FOR THE YEAR 2018 OF AMERIGROUP Insurance Company
NOTES TO FINANCIAL STATEMENTS

Also in February 2017, Anthem initiated its own litigation against Cigna in the Delaware Court seeking a temporary restraining order to enjoin Cigna from terminating the Cigna Merger Agreement, specific performance compelling Cigna to comply with the Cigna Merger Agreement and damages, which is captioned *Anthem Inc. v. Cigna Corp.* In April 2017, the U.S. Circuit Court of Appeals for the District of Columbia affirmed the ruling of the District Court, which blocked the merger. In May 2017, after the Delaware Court denied the motion to enjoin Cigna from terminating the Cigna Merger Agreement, Anthem delivered to Cigna a notice terminating the Cigna Merger Agreement.

The litigation in Delaware is ongoing with trial scheduled to commence in February 2019. Anthem believes Cigna's allegations are without merit and intends to vigorously pursue the claims and defend against Cigna's allegations; however, the ultimate outcome of the litigation with Cigna cannot be presently determined.

In October 2018, a shareholder filed a derivative lawsuit in the State of Indiana Marion County Superior Court, captioned *Henry Bittmann, Derivatively, et al. v. Joseph R Swedish, et al.*, purportedly on behalf of Anthem and its shareholders against certain current and former directors and officers alleging breaches of fiduciary duties, unjust enrichment and corporate waste associated with the Cigna Merger Agreement. This case has been stayed at the request of the parties. This lawsuit's ultimate outcome cannot be presently determined.

Cyber Attack Regulatory Proceedings and Litigation

In February 2015, Anthem reported that it was the target of a sophisticated external cyber attack. The attackers gained unauthorized access to certain of its information technology systems and obtained personal information related to many individuals and employees, such as names, birth dates, healthcare identification/social security numbers, street addresses, email addresses, phone numbers and employment information, including income data. To date, there is no evidence that credit card or medical information, such as claims, test results or diagnostic codes, were targeted, accessed or obtained, although no assurance can be given that Anthem will not identify additional information that was accessed or obtained.

Upon discovery of the cyber attack, Anthem took immediate action to remediate the security vulnerability and retained a cybersecurity firm to evaluate its systems and identify solutions based on the evolving landscape. Anthem has provided credit monitoring and identity protection services to those who have been affected by this cyber attack. Anthem has continued to implement security enhancements since this incident. Anthem has incurred expenses subsequent to the cyber attack to investigate and remediate this matter and expect to continue to incur expenses of this nature in the foreseeable future. Anthem recognizes these expenses in the periods in which they are incurred.

Federal and state agencies, including state insurance regulators, state attorneys general, the HHS Office of Civil Rights and the Federal Bureau of Investigation, are investigating, or have investigated, events related to the cyber attack, including how it occurred, its consequences and its responses. In connection with the resolution of the National Association of Insurance Commissioners' multistate targeted market conduct and financial exam in December 2016, Anthem agreed to provide a customized credit protection program, equivalent to a credit freeze, for its members who were under the age of eighteen on January 27, 2015. No fines or penalties were imposed on us. In October 2018, Anthem resolved the investigation by the HHS Office of Civil Rights. The resolution included a monetary settlement along with an agreement to a two-year Corrective Action Plan. Additionally, an ongoing investigation by a multi-state group of Attorneys General remains outstanding. Although Anthem is cooperating in this investigation, it may be subject to additional fines or other obligations, which may have an adverse effect on how we operate our business and an adverse effect on our results of operations and financial condition.

Civil class actions were filed in various federal and state courts by current or former members and others seeking damages that they alleged arose from the cyber attack. In June 2015, the Judicial Panel on Multidistrict Litigation entered an order transferring the consolidated civil

NOTES TO FINANCIAL STATEMENTS

actions to the U.S. District Court for the Northern District of California, or the U.S. District Court, in a matter captioned *In Re Anthem, Inc. Data Breach Litigation*. The parties agreed to settle plaintiffs' claims on a class-wide basis for a total settlement payment of \$115,000,000. In August 2017, the U.S. District Court issued an order of preliminary approval of the settlement. The U.S. District Court held hearings on plaintiffs' motion for final approval and class counsel's fee petition in February and June 2018 and appointed a special master to review class counsel's fee petition. Final approval of the settlement was granted by the U.S. District Court in August 2018. All appeals that were filed with the Ninth Circuit Court of Appeals by class-member objections challenging approval of the settlement have been resolved. This matter is now closed. The three state court cases related to the cyber attack that were proceeding outside of this multidistrict litigation have been resolved and dismissed with prejudice.

Anthem has contingency plans and insurance coverage for certain expenses and potential liabilities of this nature and will pursue coverage for all applicable losses; however, the ultimate outcome of our pursuit of insurance coverage cannot be presently determined. Anthem intends to vigorously defend the remaining regulatory actions related to the cyber attack; however, their ultimate outcome cannot be presently determined.
