### Company Justification for Requested Change

**According to the company's filing, its request is made because:**

"The -1.77% increase is requested because:

This request is based in large part on a reduction in margin for the 2021 plan year, as well as the removal of the Health Insurers Tax. The request is also informed by benefit changes, utilization and cost trends, demographics, morbidity, and expenses. The 1.77% request helps ensure ABCBS's small group product is adequately and competitively priced for the 2021 plan year."

**According to the company's filing, its financial experience has been:**

"The overall financial experience of the product includes:

The overall financial experience of this product is based on claims experience incurred in calendar year 2019 and paid as of 5/31/2020, with an additional estimate for claims incurred but not paid (IBNP)."

**According to the company's filing, the rate request will affect the financial experience by:**

"The 2020 requested rate increase will allow ABCBS to provide competitively priced premiums that adequately cover the financial risks associated with this type of product, as well as allowing ABCBS to meet the federally mandated Minimum Loss Ratio (MLR) requirement."

**The request is made up of the following components:**

- 0.89% of the -01.77% total request is due to Medical Utilization Changes.
