SUBJECT: AVAILABILITY OF ON-LINE PRODUCER APPOINTMENTS and CANCELLATIONS

DATE: JANUARY 17, 2007

The Arkansas Insurance Department is pleased to announce the availability of LEO, an online producer/agency appointment feature offered by service provider Aithent. This new online service will allow for direct appointments and/or agency (shared) appointments or terminations. The advantage of this service is that fees for these appointments/terminations can be paid by credit card and the transactions are completed in real time. After the appointment(s) or termination(s) are completed, results can be seen immediately.

Insurers or licensing services must register with Aithent to create their own user ID and password. The registration is for a one year period. Register with the service provider at <https://leo.aithent.com>. Any questions about this service may be sent to [leospecialist@aithent.com](mailto:leospecialist@aithent.com).
