BULLETIN 4-87

TO: ALL LICENSED INSURERS AND HEALTH MAINTENANCE ORGANIZATIONS, APPROVED SURPLUS LINE INSURERS, AND OTHER INTERESTED PARTIES

FROM: ARKANSAS INSURANCE DEPARTMENT

SUBJECT: 1987 LEGISLATION

The purpose of this Bulletin is to summarize briefly that legislation affecting the insurance industry which was enacted during the recent legislative session. It is offered as a courtesy for the information of admitted insurers, health maintenance organizations and approved surplus line insurers. The Department does not represent that this list is complete as to all legislation which could affect a particular insurer. It remains the responsibility of each insurer to become acquainted with all new legislation affecting it and to take all steps necessary to ensure full compliance with Arkansas law. Each insurer should immediately notify its Arkansas agents of any legislation which would affect their individual compliance.

Some of the legislation summarized below will be the subject of later Bulletins and Regulations. The general effective date for all Acts not containing an emergency clause or other specified effective date is July 20, 1987. Full texts of these and other Acts of the 1987 General Assembly may be obtained from the Office of the Secretary of State, State Capitol, Little Rock, Arkansas 72201, (501) 371-1010.
