SUBJECT: ACT 1527 OF 1999 – VEHICLE LIABILITY MINIMUM LIMITS
ACT 899 OF 1999 – UNINSURED MOTORIST BODILY INJURY

THIRD-PARTY LIABILITY LIMITS

Act 1527 of 1999 raised the minimum limits for motor vehicle liability insurance from 25/50/15 to 25/50/25. This Act is effective on and after July 30, 1999. In-force policies which have liability minimum limits of less than 25/50/25 will be deemed to comply with the new limits on and after July 30, 1999.

UNINSURED MOTORIST PROPERTY DAMAGE

On and after July 30, 1999, the minimum limit for Uninsured Motorist Property Damage Coverage is $25,000, and policies with a lower limit will be deemed to be in compliance with the new minimum limit.

When completing the private passenger automobile premium comparison survey (APCS Form), please use the new limits for any filing effective on and after July 30, 1999.

UNINSURED MOTORIST BODILY INJURY COVERAGE

Act 899 of 1999 requires insurers to offer Uninsured Motorist Bodily Injury Coverage (UMBI) up to the third-party liability limits purchased. Consequently, when a named insured or applicant purchases third-party liability limits greater than 25/50/25 on and after July 30, 1999, the agent must offer UMBI up to the purchased amount. An insured or applicant not desiring to purchase higher limits shall reject the increased limits in writing on the application. For existing business, insurers shall provide at the next two (2) renewals after July 30, 1999, notice that such increased limits are available. Where an existing named insured has uninsured motorist bodily injury less than their third-party...
liability limits, that coverage shall not change upon the effective date of this act unless a
named insured requests in writing to purchase the higher limits.
