SUBJECT: RATE FILINGS FOR NON-GRANDFATHERED INDIVIDUAL MAJOR MEDICAL POLICIES, INCLUDING INDIVIDUAL CERTIFICATES OF INSURANCE FOR MAJOR MEDICAL COVERAGE ISSUED THROUGH AN ASSOCIATION TO RESIDENTS OF ARKANSAS AND SMALL EMPLOYER GROUP PLANS INCLUDING SMALL EMPLOYER PLANS ISSUED THROUGH AN ASSOCIATION.

DATE: MARCH 29, 2013

This Bulletin will replace the filing requirements in Bulletins 6A-2011, 7-2011 and 7A-2011 for the above referenced non-grandfathered. The filing provisions in Bulletins 6A-2011, 7-2011 and 7A-2011 will still apply to grandfathered plans.

Pursuant to 45 CFR §154.215, health insurance issuers are required to file Rate Filing Justifications with the Secretary of the U.S. Department of Health and Human Services for all non-grandfathered plans. This includes individual plans, small employer group plans and all individual and small employer group plans offered through an Association.

The Rate Filing Justifications required by HHS include a Unified Rate Review Template (Part I), a written description justifying the rate increase (Part II) and the Rate filing justification (Part III) which includes the actuarial memorandum.

In order to simplify the rate filing process in Arkansas, issuers are required to file the same material with the Arkansas Insurance Department for all non-grandfathered individual and small group plans including Association plans. The material must be filed through SERFF by the issuer until the material can be transferred via HIOS to SERFF.
In reviewing all rate filings under this Bulletin, the Arkansas Insurance Department will review the following to the extent applicable to the filing under review:

1. The impact of utilization changes by major service categories;
2. The impact of cost-sharing changes by major service categories;
3. The impact of benefit changes;
